THE ASSISTANT COMMISSIONER FOR PATENTS
Washington, D.C. 20231

INFORMATION DISCLOSURE STATEMENT UNDER 37 CFR § 1.97

In compliance with 37 CFR § 1.56, the references A - EEE listed below and on the attached Information Disclosure Citation are being brought to the Examiner's attention for consideration in connection with the examination of the above-identified patent application. Copies of the cited documents are enclosed.

Reference A was cited in connection with the prosecution of co-pending International Application Serial No. PCT/US98/10239 filed in the USPTO as international receiving office on May 15, 1998. References A - C were cited in connection with the prosecution of co-pending International Application Serial No. PCT/US99/27878 filed in the USPTO as international receiving office on November 24, 1999. References C - G were cited in connection with the prosecution of co-pending International Application Serial No. PCT/US99/29014 filed in the USPTO as international receiving office on December 8, 1999. No other references have been previously cited.

Applicant and his attorney submit that the references cited herein taken alone or in combination neither anticipate nor render obvious the present invention. The listed references relate to the general field of the disclosure and these citations do not constitute an admission that the references are relevant or material to the claims; they are cited only as constituting the closest art of which the Applicant is aware.

CERTIFICATE OF MAILING (37 CFR 1.8a)

I hereby certify that this paper (along with any paper referred to as being attached or enclosed) is being deposited with the United States Postal Service on the date shown below with sufficient postage as first class mail in an envelope addressed to the Commissioner of Patents and Trademarks, Washington, D. C. 20231.

July 14, 2000
